CURRICULUM CAREERS 8 & 9

Note Career Education 8 & 9 are not listed as a rotation course on your child's schedule.

Teacher: Located in the Career Centre – Room C201

How Marks are calculated for the ONLINE Career Course:

The careers 8/9 Marks are based on the **number of assignments completed** by the cutoff date.

This means:

- It doesn't matter when the assignment was originally due.
- What matters is how many assignments your child has finished **before the cutoff date**.

Encourage your child to complete as many of the online assignments as possible before the cutoff date to obtain the best mark.
