## CURRICULUM CARRERS 8 & 9

**Note** Career Education 8 & 9 are not listed as a rotation course on your child's schedule.

**Teacher:** Located in the Career Centre – Room C201

**How Marks are calculated for the ONLINE Career Course:**

The careers 8/9 Marks are based on the **number of assignments completed** by the cutoff date.

This means:

- *It doesn't matter when the assignment was originally due.*
- *What matters is how many assignments your child has finished before the cutoff date.*

Encourage your child to complete as many of the online assignments as possible before the cutoff date to obtain the best mark.
